PRESS RELEASE

Warner Hazard Mitigation Plan Update 2024 Begins

WARNER: The Town's Hazard Mitigation Committee will soon be meeting to update the **Warner Hazard Mitigation Plan 2019**. Every 5 years, the Plan must be updated and approved to current requirements to ensure the Town's continued eligibility for federal disaster recovery and mitigation grant project funding. Recent past and potential natural disasters, severe weather events, and other hazard events will be assessed, and critical facilities, vulnerable areas and populations will be identified. The Committee will review existing mitigation capabilities and develop long-term risk reduction mitigation actions to help alleviate the impact of these events to Warner's people, buildings, and property.

The Hazard Mitigation Committee will hold its first meeting remotely via Zoom Webinar on **Wednesday, September 27, 2023, from 9:30-11:30 AM**. Click to Join by Computer/ Laptop/ Tablet/ Smartphone: <https://us02web.zoom.us/j/89983294118>. To listen by telephone, dial (toll call) US: +1 (929) 205-6099 or +1 (301) 715-8592. Webinar ID: 899 8329 4118. An in-person meeting will be held concurrently (hybrid) at the Warner EOC, 148 West Main Street, Warner.

All unique perspectives from stakeholders, engaged citizens, businesses, organizations, and people of all ages are invited to attend and participate in the Hazard Mitigation Committee's discussion and decision making. Additional meetings will be scheduled at this time. The draft Warner Hazard Mitigation Plan Update 2024 document is anticipated to be completed in the spring. For more information, contact Ed Mical, Warner Emergency Management Director, at (603) 748-0560 or emd@warnernh.gov.

RE: **Warner Hazard Mitigation Plan Update 2024**

The Town's Hazard Mitigation Committee will soon be meeting to begin its work to update the existing **Warner Hazard Mitigation Plan 2019**. Our work will include assessing natural hazards that could impact Warner, recalling recent past and potential natural disasters, severe weather events and other hazard events, and identifying critical facilities, vulnerable areas and at-risk populations. The Committee will review existing mitigation capabilities and develop long-term risk reduction mitigation actions to help alleviate the impact of these events to Warner's people, buildings and property.

You or another representative from your group are cordially invited to attend and participate in the series of Warner Hazard Mitigation Committee meetings. **The Committee will meet remotely via Zoom Webinar or you can join us in-person (hybrid meetings) at the EOC.**

We are encouraging any interested stakeholders, engaged citizens, employees, representatives of businesses or organizations, and people of all ages to attend the Committee meetings and participate in hazard mitigation discussion and decision-making. We value the knowledge and unique perspective you could bring to this planning process. **Interested? Send me your email address so we can email you unique login credentials and the Committee's meeting materials.** The public may join from the general Zoom credentials noted above and additional meeting details will be posted on the Town website at www.Warnernh.gov. An updated draft Hazard Mitigation Plan will be available next spring.

Please contact me (see above) to sign up or to learn more about hazard mitigation planning.

Warner Hazard Mitigation & Severe Weather Event Survey

November 2023-April 2024

Warner Hazard Mitigation Committee 2024

The Town of Warner, NH is updating its 2019 Hazard Mitigation Plan. The Hazard Mitigation Committee developed a Survey to obtain your opinions about severe weather events, disasters, natural hazards, and mitigation of these hazards & events in Warner. Your responses will help make our community more resilient to disasters and severe weather. Individual responses will be kept anonymous and will be compiled for the 2024 Hazard Mitigation Plan's data collection to help direct priorities.

Please fill out our Hazard Mitigation & Severe Weather Event Survey. This 10-15 minute Survey will remain open throughout the planning process, so feel free to enter your response anytime. Tell others about this Survey and encourage them to fill it out too.

There are three ways to access the Survey:

① Visit <https://www.surveymonkey.com/r/WarnerNH-HazMit>

② Use the Survey's QR Code:

③ Pick up & fill out a paper Survey at:

- Warner Town Hall (Selectmen's office)
- Pillsbury Free Library
- Sugar River Bank
- United Church of Warner

Return your completed paper Survey to one of the anonymous drop boxes at these same locations.

For more information, contact Ed Mical, Warner Emergency Management Director, at (603) 748-0560 or emd@warnernh.gov. Visit www.WarnerNH.gov for meeting information.

Dear local and regional Stakeholders of the Town of Warner,

You're receiving this email because you've been identified as a potential hazard mitigation planning Stakeholder who may be interested in participating in Warner's update of their **Hazard Mitigation Plan 2019**. The updated Plan will make Warner safer from the impacts of natural disasters and severe weather and will enable the Town to apply for federal disaster funding.

You or another representative of your Town/group are invited to attend & participate in any or all meetings of the Town Hazard Mitigation Committee (HMC). The HMC's next meeting will be held in-person on **Wednesday, January 24 at 9:00 AM** at the **Warner Emergency Operations Center, 148 West Main Street**. You could also choose to join the meeting remotely on **Zoom Webinar** (link below) as the HMC meetings are in a hybrid format. The Agenda for the meeting is attached.

Topic: Warner Hazard Mitigation Committee

When: Wed January 24, 2024 from 9:00 AM-12:00 PM

Please click the link below to join the webinar:

<https://us02web.zoom.us/j/89983294118>

Or to Listen by Telephone Toll Dial: US: +1-929-205-6099 or +1-301-715-8592

Webinar ID: 899 8329 4118

The Warner Hazard Mitigation Committee (HMC) continues to hold a series of engaging, in-depth meetings over the next several months to update their Hazard Mitigation Plan. Every 5 years, the Plan must be updated and approved to current requirements to ensure the Town's continued eligibility for federal disaster recovery and mitigation grant project funding. These are all working meetings! Tasks for the HMC to complete for the draft Town **Hazard Mitigation Plan Update 2024** include:

- Document the most recent natural disasters, severe weather events, and other hazard events and their impacts in Town over the last 5 years;
- Assess the potential future threat and change in intensity of these disasters and hazard events;
- Identify and assess critical facilities and vulnerable areas and populations;
- Review existing Departmental mitigation capabilities;
- Review the status of the prior 2019 mitigation actions;
- Develop and rank new, long-term risk reduction mitigation actions to help alleviate the impact of disasters and weather events to Warner's people, buildings, infrastructure and property.

Does planning for natural disasters and severe weather sound interesting? All unique perspectives and participation from Stakeholders, engaged citizens, businesses, organizations, surrounding communities, and others are welcome to help guide the HMC's discussion and decision making to ensure this critical community planning document remains relevant to everyone.

CNHRPC is facilitating the Town's Haz Mit Plan update project. Most of the emails you receive will come from Zoom and from me, Stephanie Alexander at CNHRPC, on behalf of Warner.

We know you're busy, so I'll only send you a couple direct notifications of Warner's upcoming HMC meetings unless you'd like to continue receiving information through the project's end.

>> Would you like to be placed on the Warner Hazard Mitigation Committee's permanent email distribution lists which includes receiving all HMC meeting materials and Zoom meeting invitations? Email me at salexander@cnhrpc.org to continue receiving future Warner HMC meeting communications.

Or if you prefer not to receive future notifications, please reply to this email and let me know.

Feel free to share this info and invite others! You can always stay posted about the Hazard Mitigation Committee and its meetings by visiting the Town of Warner website for more information at www.warnernh.gov. Contact Ed Mical, Emergency Management Director, at (603) 748-0560 or emd@warnernh.gov to speak with the local coordinator of this critical Town project.

The Warner Hazard Mitigation Committee warmly thanks you for your time and attention.

Best regards,
Stephanie

Hazard Mitigation Plan Survey - The Town of Warner is updating its 2019 Hazard Mitigation Plan. The Hazard Mitigation Committee developed a Survey to obtain your opinions about severe weather events, disasters, natural hazards, and mitigation of these hazards & events in Warner. Your responses will help make our community more resilient to disasters and severe weather. Individual responses will be kept anonymous and will be compiled for the 2024 Hazard Mitigation Plan's data collection to help direct priorities. Please fill out our [Hazard Mitigation & Severe Weather Event Survey](#). This 10 - 15 minute survey will remain open throughout the planning process, so feel free to enter your response anytime. Tell others about this survey and encourage them to fill it out too.

There are three ways to access the Survey:

1. Visit <https://www.surveymonkey.com/r/WarnerNH-HazMit>
2. Use the Survey's QR Code:

3. Pick up & fill out a paper Survey at:
 - o Warner Town Hall (Selectmen's office)
 - o Pillsbury Free Library
 - o Sugar River Bank
 - o United Church of Warner

Return your completed paper Survey to one of the anonymous drop boxes at these same locations.

For more information, contact Ed Mical, Warner Emergency Management Director, at (603) 748-0560 or emd@warnernh.gov. Visit Warner.nh.us for meeting information

Town of Warner - PUBLIC NOTICE

Hazard Mitigation Committee Public Meetings Warner EOC, 148 W Main St, Warner, NH

04/17/24 9:00 am - 12:00 pm

05/01/24 9:00 am - 12:00 pm

05/08/24 9:00 am - 12:00 pm

05/22/24 9:00 am - 12:00 pm

<https://us02web.zoom.us/j/89983294118>

Webinar ID: 899 8329 4118 or call 929-205-6099 or 301-715-8592

Join the Town’s Hazard Mitigation Committee to discuss the past and potential natural hazard and severe weather events in Warner and explore the risk to critical facilities and vulnerable areas over a series of meetings. We’ll identify the Town’s capabilities for mitigating disaster events. Tell us what matters to you. Help us develop Actions to better protect people, buildings, infrastructure, business, and property from natural hazards and severe weather.

Meetings to be held remotely via Zoom Webinar and in person. Interested public, businesses, agencies and stakeholders are welcome!

Contact Ed Mical, Warner Emergency Management Director, at 603-748-0560 or emd@warnernh.gov for more information and check the Town Meeting Calendar and webpages at <https://warner.nh.us/> for updates.

Note: Posted meeting dates and times are subject to change. Future meetings and work sessions to be scheduled through spring 2024. Everyone is invited to attend and participate in discussion and decision-making. Contact the Town to ensure meetings are still scheduled for these dates.

Hazard Mitigation Plan Survey - The Town of Warner is updating its 2019 Hazard Mitigation Plan. The Hazard Mitigation Committee developed a Survey to obtain your opinions about severe weather events, disasters, natural hazards, and mitigation of these hazards & events in Warner. Your responses will help make our community more resilient to disasters and severe weather. Individual responses will be kept anonymous and will be compiled for the 2024 Hazard Mitigation Plan's data collection to help direct priorities. Please fill out our [Hazard Mitigation & Severe Weather Event Survey](#). This 10 - 15 minute survey will remain open throughout the planning process, so feel free to enter your response anytime. Tell others about this survey and encourage them to fill it out too.

Town of Warner - PUBLIC NOTICE

Hazard Mitigation Committee Public Meetings
Warner EOC, 148 W Main St, Warner, NH

07/24/24 9:00 am - 12:00 pm
<https://us02web.zoom.us/j/89983294118>
Webinar ID: 899 8329 4118 or call 929-205-6099 or 301-715-8592

Join the Town's Hazard Mitigation Committee to discuss the past and potential natural hazard and severe weather events in Warner and explore the risk to critical facilities and vulnerable areas over a series of meetings. We'll identify the Town's capabilities for mitigating disaster events. Tell us what matters to you. Help us develop Actions to better protect people, buildings, infrastructure, business, and property from natural hazards and severe weather.

Meetings to be held remotely via Zoom Webinar and in person. Interested public, businesses, agencies and stakeholders are welcome!

Contact Ed Mical, Warner Emergency Management Director, at 603-748-0560 or emd@warnernh.gov for more information and check the Town Meeting Calendar and webpages at <https://WarnerNH.gov/> for updates.

Note: Posted meeting dates and times are subject to change. Future meetings and work sessions to be scheduled through spring 2024. Everyone is invited to attend and participate in discussion and decision-making. Contact the Town to ensure meetings are still scheduled for these dates.

Hazard Mitigation Plan Survey - The Town of Warner is updating its 2019 Hazard Mitigation Plan. The Hazard Mitigation Committee developed a Survey to obtain your opinions about severe weather events, disasters, natural hazards, and mitigation of these hazards & events in Warner. Your responses will help make our community more resilient to disasters and severe weather. Individual responses will be kept anonymous and will be compiled for the 2024 Hazard Mitigation Plan's data collection to help direct priorities. Please fill out our [Hazard Mitigation & Severe Weather Event Survey](#). This 10 - 15 minute survey will remain open throughout the planning process, so feel free to enter your response anytime. Tell others about this survey and encourage them to fill it out too.

After the Public Information Meeting (PIM), CNHRPC submits the Updated **Hazard Mitigation Plan 2024** to NHHSEM/FEMA for APA (conditional approval). Then...

1. NHHSEM reviews the Plan then submits it to FEMA for review and conditional approval. FEMA reviews the Plan within the 2023 federal regulatory review matrix. **It currently takes about 6-9 months for FEMA to respond with a set of required revisions for us.** CNHRPC completes the revisions, consulting with the Town Staff Coordinator and/or Committee as needed and sends revised Plan to NHHSEM within 1 week. The review cycle continues for FEMA's conditional approval – this APA/revision cycle alone may take 12 months.
2. When edits are deemed satisfactory NHHSEM emails FEMA's APA (**Approvable Pending Adoption**) notification to CNHRPC and the Town (Town Admin, EMD, and Board of Selectmen Chair/office). **No changes or additions can be made to the Plan once APA is granted** (CNHRPC can make minor editorial updates but no content changes).
3. CNHRPC sends Board of Selectmen adoption materials & the adoption version HMP to the Staff Coordinator, who sets the Board of Selectmen adoption meeting date. Haz Mit Committee is notified by Coordinator.
4. **Board of Selectmen adopts the Plan** after presentation by Haz Mit Committee/EMD/Coordinator and **signs 3-4 color Certificate of Adoption (COA) originals AT THE MEETING**. Town Clerk signs and seals them. Recall that **no changes or additions can be made to the Plan** at the adoption meeting. Meeting minutes are taken.
5. **Town emails a high-resolution, clean color scan of a signed COA** along with the meeting minutes. CNHRPC sends these materials and the next Plan version to NHHSEM requesting **Formal Approval**.
6. NHHSEM emails a **Notification of Formal Approval** to the Town with a new date restarting the five-year Plan update cycle. Town is now eligible to apply for & receive FEMA Hazard Mitigation Assistance (HMA), Building Resilient Infrastructure and Communities (BRIC), Hazard Mitigation Grant Program (HMGP), Flood Mitigation Assistance (FMA) project funding. FEMA follows up with the official **Formal Approval Letter** via email to the Town and CNHRPC.
7. CNHRPC provides **two sets of digital, final 2024 Plan** files to the Town using temporary Dropbox link– **1 set** of docs for the Haz Mit Committee ("HMC files") and **1 set** w/ PDF files for Departments/ Public ("Public files"). CNHRPC also provides files to NH HSEM/FEMA to complete Town's grant commitment.
8. Town downloads the **HMC files** and **Public files** from Dropbox. **Public files:** a) print a few hard copy Plans from the Public files, b) set up binder copies for the annual update, c) distribute to HMC members, Departments, School District, Library, and to the public by request, d) post Public files Document and Maps on the Town website. **HMC files are archived in a safe but accessible directory on the Town server/cloud.**
9. **IMPLEMENTATION.** Board of Selectmen establishes a permanent Hazard Mitigation Committee (HMC) to maintain its stated obligations in the Plan and appoints members. Establishment language is available at CNHRPC if needed.
10. According to Chapter 9, Town Staff preps the **HMC files** for Interim 2025-2029 updates. HMC meets ~2-4 times each year to review and implement the **Mitigation Action Plan**, to delegate the Actions for completion, and to evaluate the entire Plan annually using the **HMC files**. Staff compiles new Meeting Appendix materials (agendas, publicity, etc.) for **2029 Plan** update. Often Towns will cc: salexander@cnhrpc.org so we can archive your files for the **2029 Plan** update.
11. Town & CNHRPC begin talks about **24 months prior** to Plan expiration to discuss the current update grant funding situation. **The next 5-year Plan update process should ideally begin about 24-26 months prior to Plan expiration.**

PRESS RELEASE

Warner Hazard Mitigation Plan 2024 Public Information Meeting on August 28

WARNER: Aug 19, 2024 - Community leaders are taking steps to reduce the effects of Warner's next natural disaster event, including flooding, storms, severe winds and winter weather. A Hazard Mitigation Committee comprised of Town Departments, Boards, emergency personnel, residents, and community stakeholders has completed the Town's updated draft **Warner Hazard Mitigation Plan 2024**. This updated Plan is required to be approved by the Federal Emergency Management Agency (FEMA) every five years to maintain continued eligibility for federal mitigation project funding.

A PUBLIC INFORMATION MEETING will be held in person on **Wednesday, August 28, 2024 at 6:00 PM at the Warner Town Hall at 5 East Main Street** in Warner. The purpose of the public information meeting is to present the updated Hazard Mitigation Plan and listen to public feedback on the document. This is not a hearing. All are invited to participate.

The **Warner Hazard Mitigation Plan Update 2024** documents and maps are available for viewing on the Town website at www.warnernh.gov. A paper version of the draft Plan is available for review at the Town Hall.

For more information, contact Ed Mical, Warner Emergency Management Director, at (603) 748-0560 or emd@warnernh.gov.

Minutes of the Public Information Meeting to update the Public on the New Draft Hazard Mitigation Plan

Date & Time: 2024-08-28 19:03:19

Location: Warner Town Hall Lower Meeting room - In-Person and via Zoom link

Attendees: Edward Mical-EMD Community Facilitator, Ron Piroso -Deputy EMD, Ginger Marsh- Sugar River Bank Assistant Vice President Regional Branch Administrator, Nancy Ladd - Pillsbury Free Library Director, Christopher Lopez -Health Officer, Tim Allen - Public Works Director, Michael Smith - Selectman, John Leavitt -Warner Resident, Bill Chandler - Police Chief, Kathleen Frenette - Town Administrator, Martha Mical - Warner Resident

Meeting opened by Ed Mical utilizing a Power Point Presentation. Ed reviewed the chapters of the draft Plan: Current plan was approved in 2019 to expire in June of 2024, focusing on updating the hazard mitigation plan, which included public outreach, data collection, community profiling, hazard risk assessment, and mitigation strategies, along with the implementation and evaluation of the plan for approval by Homeland Security and FEMA.

1. Public outreach and data collection for hazard mitigation

Hazard Mitigation committee met for four (4) 3 hour meetings and fourteen (14) 3 hour work sessions. All meeting and work sessions were in-person meeting at the Fire Station and Via Zoom. Public outreach involved businesses, neighborhood residents, and community members.

Poster flyers were distributed throughout Warner, and information was posted on the town's website, Facebook, and in the library newsletter.

A data collection hazard mitigation survey was conducted, achieving the goal of 100 responses. The results of the survey are in Chapter 10 Appendices.

2. Community profile and land use

Warner is 55.2 Square Miles with .23 sq miles of water. Land Mass breakdown 22.4 % is residential, 2% is commercial, less than 1% is utilities, and 60% is forest land, open space, or water protection/recreation.

3. Goals of the hazard mitigation plan

Focus on minimizing injury or loss of life from natural hazards, severe weather, disasters, and human and technological hazards.

Main focus this time was on natural hazards, but human and technological hazards were also included.

4. Hazard risk assessment

Priority events identified by the committee: public health/biologic, solar storms, river hazard, inland flooding, ice storms, winter storms, drought, high winds, cold wave, and wildfire.

5. Community vulnerability assessment and loss estimation

Included critical facilities, community facilities, potential loss from natural disasters, and new draft floodplain maps. Four maps are in Chapter 11 of the updated plan.

6. Capability assessment

Reviewed various town capabilities, including emergency operations plans, capital improvements programs, preparedness plans, and National Incident Management System (NIMS) adoption.

Reverse 9-1-1 policy updated to Genesis system.

7. Educational outreach

Town's website, Facebook, Warner Alerts, library newsletter, police department drug take-back program, school district automated calling system, and precinct wellhead protection area signage.

8. Prior action status

Completed items: Collins Road culvert, Henniker Road culvert, Old Denny Hill Road culvert, and Willaby Colby Road culvert.

Deferred items: Schoodac Road culvert, North Village Road culvert, Red Chimney Road culvert, and Ladd Lane culvert.

9. Mitigation Action Plan

Includes recommended mitigation actions, department responsibilities, hazard identification, and cost estimates.

10. Implementing the plan

Annual Implementation and Evaluation, establishment of Permanent Hazard Mitigation Committee, and suggested membership.

Plan to have two meetings a year and update the plan as needed.

11. Plan approval process

Plan to be sent to Central Regional Planning Commission, then to NH Homeland Security and Emergency Management, and finally to FEMA Region 1 for review.

Following Conditional FEMA approval, the plan will come back to the town.

Board of Selectmen to approve the plan at a public hearing.

12. Current status and deadlines

Current plan expired on June 23rd, but the new plan is in process and should not hold up potential grants.

Hopeful completion by the end of the year.

Action Items

Send the updated Hazard Mitigation Plan to Central Regional Planning Commission with any changes identified by Committee members. Central Regional Planning Commission will forward the updated Plan to NH Hoemland Security and Emergency Management.

Once NH Homeland Security and Emergency Management completes its review, the Plan will then go to FEMA Region 1 for their review.

Upon recieving Conditional Approval from FEMA, Warner's Board of Selectmen will hold a public hearing to approve the plan.

Establish a Permanent Hazard Mitigation Committee with suggested membership and plan

for two meetings a year.

Make the finalized plan available on the town's website with hyperlinks for easy access to information.

Print hard copies of the finalized plan for department heads and possibly the library.

Warner People

Congratulations to **David Elliott** on having his children's book "At the Poles!" selected as one of the 2024 notable poetry books in this year's annual National Council of Teachers awards.

Sugar River Bank says all tags for the **Warner Christmas Project** have been claimed.

Help find the next recipient for Warner's Boston Post Cane

The Post passed out of existence years ago, but the tradition of the cane survives in New Hampshire and Warner, where it is still passed to the **oldest resident**. The Warner Selectmen in conjunction with the Warner Historical Society award the cane and a certificate to the oldest citizen and the cane is then kept at the Warner Historical Society. Contact the **Warner Historical Society** if you or a family member were born between 1925-1935 and are still living in Warner. 603-456-2437 or info@warnerhistorical.org.

[Warner Pest Services](#) has teamed up with [Candle Tree Soy Candles](#) for the community Toy Drive as an official drop off location for toys and dog items. Drop off items under their covered porch on Rte 103 West across from the Transfer Station. The drive ends Dec. 11. Or drop at [Woodlawn Pet Resort](#) 406 Poverty Plains Rd - or if you buy toys for the drive at the [Discovery Center Science store](#). get 10%off)

Misc. Town News

Tax Payments were due by Thursday, December 5, 2024. Payments may be delivered to the Town Clerk or the Tax Collector. Also, payments may be left in the secure mail box slot in the front door on the front porch of the Town Hall. **Payments left in that box before Monday morning Dec. 9** will be processed as if received on December 5

On **Dec.18 at 7:00pm** in Town Hall, the Economic Development Advisory Committee (EDAC) will hold a meeting to develop **recommendations on the future of the Community Center** to present to the Selectboard for their consideration. EDAC recommendations will be based on results from the 2024 town-wide Community Center Survey and the Listening Session on September 26.

The **Warner Firefighters Association** sends a Thank you to all those who donated items for the Turkey raffle, and all who attended the raffle. They appreciated the support.

The Select Board will be voting on adopting Warner's Hazard Mitigation Plan at their meeting on Tuesday December 10, 2024. This is the final step in Federal approval of the 2024 update, which helps with Grant eligibility. Plan information will be available on the Town's website sometime Friday Dec. 6.

The **Town of Warner** is seeking a **Landuse Secretary, a Police officer, a Transfer Station attendant, and DPW crew member with CDL.** warnernh.gov/job-openings/

Volunteers for **Planning Board Alternates** sought: Please fill out a [volunteer form](#) available on the Warner Town Website and drop off at the Town Hall with Judy or Kathy.

Winter Parking Ban: The Town of Warner's Parking Ordinance is in effect and states that **no vehicle may be left on any street, road, or highway in the Town of Warner between the hours of 12:00 a.m. midnight and 6:00 a.m., from November 1st until May 1st.** Any vehicle in violation of this ban will be towed away at the owner's expense.

Warner's 250th

Join the 250th for our **final event, celebrate the Winter Solstice and enjoy a slide show** of Warner's Favorite Corners and of photographs taken at various programs throughout the year. The event will take place at the **Mt. Kearsarge Indian Museum on December 21 from 5 -7 pm.** **Bring a lawn chair** for sitting around the campfire to roast marshmallows, sip cocoa and write your best wishes to send into the universe for Warner's 300th in 2074. The outside event is weather dependent. We will move refreshments inside if necessary. Questions, call 603-456-3997.

Health insurance Help

We have some helpful **booklets about Medicare supplemental plans vs. Medicare Advantage** plans. If you need to make **Medicare Insurance** decisions before December 7, **Medicare Plan** comparisons can be found at www.medicare.gov/plan-compare. Call **Merrimack County ServiceLink** at 1-866-634-9412 or **603-228-6625** to ask questions or see if you could qualify for any Medicare **cost saving** programs.

Rethink, Refuse, Reduce, Reuse, Recycle, Repair

Recycling and Transfer Station: Reduce Warner's tipping fees by sorting Metal, Aluminum, Mixed paper and corrugated cardboard which earn \$\$ and reduce costs. Warner recycles plastics #1 and #2 (clear/green and laundry/milkbottles) and paper. **Salad and berry "clamshell" style boxes** are not recyclable. There is **no longer a market for recycling #5 plastic** (like those Dunkin' or McDonalds beverage cups), so please use refillable containers if possible.

Correction: Batteries Plus recycles ONLY lead-acid batteries, (which the Warner Transfer and Recycling Station also accepts - and sells) and not light bulbs at the Concord branch. Alkaline batteries can be also be placed in a bin in Warner.
Staples will accept electronics, and ink/toner cartridges. **Goodwill** will take electronics.

ON HOLD: Please do not bring Stretchy plastics to the **United Church of Warner**. Clean grocery bags and ziplock bags may be dropped in the box inside Market Basket.

IV. Warner 2024 Hazardous Mitigation Plan, Adoption

Ed Mical presented the Warner 2024 Hazardous Mitigation Plan. He stated the plan has been reviewed by the State and the Federal Emergency Management Agency (FEMA). Faith Minton thanked Ed Mical and everyone who assisted him. Faith Minton read the Hazardous Mitigation resolution.

A Resolution Adopting the Warner Hazard Mitigation Plan Update 2024

WHEREAS, the Town of Warner has historically experienced severe damage from natural hazards and it continues to be vulnerable to the effects of the hazards profiled in the Hazard Mitigation Plan Update 2024 including but not limited to flooding, high wind events, severe winter weather, and fire, resulting in loss of property and life, economic hardship, and threats to public health and safety;

and WHEREAS, the Town of Warner has developed an updated Plan and received approval pending adoption (APA) from the Federal Emergency Management Agency (FEMA) for its Hazard Mitigation Plan Update 2024 under the requirements of 44 CFR 201.6; and Hazard Mitigation

1 *WHEREAS, public and Committee meetings were held between September 2023 through July 2024 regarding*
2 *the development and review of the Hazard Mitigation Plan Update 2024;*

3 *and WHEREAS, the Plan specifically addresses hazard mitigation strategies, and Plan maintenance*
4 *procedures for the Town of Warner;*

5 *and WHEREAS, the Plan recommends several hazard mitigation actions (projects) that will provide*
6 *mitigation for specific natural hazards that impact the Town of Warner with the effect of protecting people*
7 *and property from loss associated with those hazards;*

8 *and WHEREAS, adoption of this Plan will make the Town of Warner eligible for funding to alleviate the*
9 *effects of future hazards;*

10 *now therefore be it RESOLVED by Town of Warner Select Board: The Hazard Mitigation Plan Update 2024*
11 *is hereby adopted as an official plan of the Town of Warner; The respective officials identified in the*
12 *mitigation action plan of the Plan implementation of the recommended actions assigned to them; are hereby*
13 *directed to pursue Future revisions and Plan maintenance required by 44 CFR 201.6 and FEMA are hereby*
14 *adopted as a part of this resolution for a period of five (5) years from the date of this resolution; and An*
15 *annual report on the progress of the implementation elements of the Plan Select Board by the Emergency*
16 *Management Director or designee. Shall be presented to the IN WITNESS WHEREOF, the undersigned have*
17 *affixed their signature and the corporate seal of the Town of Warner on this 10th day of December 2024.*

18 **Faith Minton made a motion seconded by Mike Smith to adopt the Town of Warner 2024 Hazardous**
19 **Mitigation Plan as of December 10, 2024. Motion passed unanimously.**

20
21 **III. Emergency Management Director Ed Mical, Deputy Director Resignation**

22 Ed Mical: Ron Piroso, Emergency Management Deputy Director, has resigned effective December 31, 2024.
23 The Select Board extended their appreciation to Ron Piroso for his dedication.

24 **Faith Minton made a motion seconded by Mike Smith to accept Ron Piroso’s resignation as Emergency**
25 **Management Deputy Director effective December 31, 2024.**

26
27 **V. Boston Post Cane Candidate, Rebecca Courser Presenting**

28 Rebecca Courser: nominated is Virginia Sweeney, 104 years young, born in 1920; lives in Warner with her
29 family; believes it is important to stay active, be curious and to never give up. She is honored to be nominated.
30 The Historical Society will schedule the ceremony for either January 25, 2025 or February 1, 2025.

31
32 **VI. Election Poll Book Discussion**

33 Michele Courser, Town Clerk: she recently heard from the State regarding a change to the State All for One
34 program (accessibility voting software for the disabled); this new change is required for all elections going
35 forward at the Town’s expense; the cost is unknown at this time. The State is looking at different vendors, the
36 tablet will range from \$4,000-\$7,000 and the programming of the device will range from \$500-\$2,500 at each
37 election. Michele Courser stated that because of the short notice and the unknown costs she would prefer to
38 hold off on purchasing the Election Poll Book system. Faith Minton would like the Select Board to talk to their
39 State Representatives regarding the short notice and the funding mandate. The Select Board agreed that the
40 Town should postpone the Election Poll Book purchase and wait to hear from the State next week regarding the
41 actual cost of the All for One system.
