Article 4: Citizen Petition - regarding mountain bike trail on Mt. Kearsarge

passed

Whereas Warner taxpayers deserve the opportunity to provide input in the decision by the Statewide Trails Advisory Committee (STAC) to allow construction of a mountain bike trail in Rollins Park and State Forest on Mt. Kearsarge;
Whereas no botanical or biological inventory has been conducted along the proposed trail(s) route; and
Whereas no safety plan has been devised for this steep "enduro style" trail in the semi-wilderness landscape of Mt. Kearsarge; and
Whereas adjacent and nearby landowners have expressed concern about the subsequent, unauthorized creation of spider trails onto private lands, and the scarcity of state resources to address this type of trespass; and

Whereas additional time is needed to ensure meaningful public input by residents at Warner's March 2026 Annual Town Meeting,
Are you in favor of respectfully urging the responsible State entities to deny further consideration of the current proposal until the above concerns and deficiencies have been met? Submitted by petition. Recommended by the Select Board, (3-0).

Article 5: Citizen Petition - regarding Education Freedom Accounts

passed

Whereas, taxpayers have a right to know how their money is spent and deserve clear, verifiable evidence that it is being spent wisely and delivering results; and
Whereas, taxpayer dollars are being diverted from public schools to private and religious education through Education Freedom Accounts (vouchers), and this shift does not reduce public school expenses, leaving local taxpayers to cover the difference through higher property taxes; and
Whereas, unlike public schools, private education funded by taxpayers through vouchers lacks key accountability measures, such as reporting how funds are used, tracking student performance, ensuring services for students with disabilities, and conducting background checks for staff;
Therefore, we the voters of Warner, New Hampshire, call on our state elected officials to uphold their duty to fiscal responsibility by rejecting taxpayer funding for private education until we have full accountability, transparency, and a sustainable funding plan that ensures no further strain on public schools or local property taxpayers. We further direct the Warner Select Board to deliver this warrant article and results in writing to New Hampshire's Governor and members of the State Legislature within thirty days of this vote. Submitted by petition. Recommended by the Select Board, (3-0).
