

Dear Community Members,

We are currently seeking dedicated and community-minded individuals to serve on the Parks and Recreation Commission. This is a valuable opportunity to play an active role in shaping the future of our parks, recreational programs, and community spaces.

Commission members work collaboratively to advise on the planning, development, and maintenance of local parks and recreational services. Responsibilities may include reviewing proposals, providing input on community needs, supporting events and initiatives, and helping ensure our public spaces remain vibrant, accessible, and welcoming for all.

We are looking for individuals who:

- Have a passion for parks, recreation, and community wellness
- Bring diverse perspectives and experiences
- Are willing to attend regular meetings and participate in discussions
- Want to make a meaningful impact in our community

No prior board experience is required—just a commitment to serve and contribute thoughtfully.

If you are interested in applying or would like more information, please contact via email at: [parks@warnernh.gov](mailto:parks@warnernh.gov), or attend our next Board Meeting 4/13 at 7pm, Town Hall, Main Level.

We encourage residents of all backgrounds to apply and help us build a stronger, more connected community.

Sincerely,  
Apyl Blood  
President
