

Rail Trail Work Session
Warner Town Hall, Lower Level
November 21st
1:00 pm

The Warner Conservation Commission will hold a work session on November 21st at 1:00 in Warner Town Hall to discuss impacts of the rail trail on the environment and wildlife. Representatives from the Concord to Lake Sunapee Rail Trail (CLSRT) and from NH Fish and Game will attend to provide their expertise. The public is invited to listen but not allowed to participate in the discussion.
