

Submitted by Jan Gugliotti

Warner Energy Committee  
March 26, 2025

DRAFT

Present: Clyde Carson, Jan Gugliotti, Harry Seidel - members  
Session opened at 4:05 p.m.

**Button Up Home Energy Event**

On April 24 the towns of Warner, Bradford and Sutton will co-host a popular home energy savings workshop open to all. The Energy Committee discussed logistic actions that will be taken leading up to the event:

- Public Awareness, including printing notices and fliers that will be posted in the sponsoring towns, a press release to local media and other face to face communication
- ZOOM access to the workshop, including set up, monitoring and distribution of links
- Set up and clean up of the Warner Town Hall basement hall

**Consider potential future energy projects**

Harry passed out a copy of energy projects that have been discussed in past committee meetings. The list includes cost-saving LED street lighting for the town core (Main Street from the Post Office to the Community Center), protecting power and communication lines from severe weather, and ongoing weatherization of town buildings.

No actions were taken

Meeting adjourned at 4:50  
Next meeting on April 16, Town Hall basement

Meeting adjourned at 5:10.

Next committee meeting will be April 18 at 4 p.m. in the Town Hall.
