  - The logistics of the upcoming Housing Advisory Committee Forum were discussed.
- 1) This event will take place on April 30<sup>th</sup> at Simonds Elementary School from 6:30 to 8:30 pm.
  - 2) The forum will start with a welcome and overview in the gymnasium, and then move into a small group breakout session in separate classrooms.
  - 3) Discussing the Town of Warner Master Plan (Housing Chapter) at the forum should take place during the welcome / overview portion, and not in the breakout groups. The key points were to describe what a Master Plan is and avoid conflict over what did and did not happen, based on the recommendations from the previous master plan.
  - 4) Ensure that the information shared in the breakout groups is consistent.

- 5) Ensure the public is informed, that the Zoom meeting on May 14<sup>th</sup> is a make up session for those who could not attend the forum in person, and not an explanation of results from the forum on April 30<sup>th</sup>.
