Article 2 Passed

Article 2: Are you in favor of the adoption of the following amendment to the Town's Zoning Ordinance: Amendment to Article III Definitions, Article IV General Provisions, Article XIV-B Accessory Apartment, and Table 1 USE Regulations? This Amendment is proposed by the Planning Board and was unanimously approved 7-0. It is necessary to comply with the new State ADU requirements.

YES [494] NO [103]

2026 proposed changes to Warner Zoning Ordinance

ARTICLE III

Definitions

“Accessory Dwelling Unit” means either an attached or detached residential living unit that is appurtenant to a single-family dwelling, and that provides independent living facilities for one or more persons, which includes provisions for sleeping, eating, cooking, and sanitation on the same parcel of land as the principal dwelling unit it accompanies. An accessory dwelling unit may be attached to the principal dwelling unit. [*Amended March 2026*]

2026]

ARTICLE IV

General Provisions

F. Use Permit: No permit for the erection, exterior alteration, moving or repair of any building, or accessory dwelling unit, shall be issued until an application has been made for the certificate of zoning compliance, and the certificate shall be issued in conformity with the provisions of this ordinance. *[Amended March 2026]*

ARTICLE XIV-B

Accessory Dwelling Units

[Amended March 2026 as per RSA 674:72]

Requirements for Accessory Dwelling Units:

A. The Accessory Dwelling Units shall be clearly incidental to the primary use of the property. *[Amended March 2026]*

B. Only one Accessory Dwelling Unit may be constructed per single-family dwelling, per lot. *[Amended March 2026]*

C. Any Accessory Dwelling Unit, whether an addition to or contained within the single-family dwelling or accessory building, shall have an area of no less than 300 square feet and no more than 1,000 square feet. *[Amended March 2026]*

D. An Accessory Dwelling Unit may be a new structure or converted from an existing structure. Such structures shall not increase the nonconformity or introduce new nonconformities. *[Amended March 2026]*

1. Accessory Dwelling Units shall comply to setback requirements and all applicable regulations for the Town of Warner and the District in which the lot is located. *[Amended March 2026]*

E. Conveyance of any Accessory Dwelling Unit separate from that of the primary dwelling unit shall be prohibited. *[Adopted March 2026]*

F. An Accessory Dwelling Unit shall be allowed by right on any lot where single-family housing is permitted or is already in existence. *[Amended March 2026]*

G. The owner shall not separately lease both the primary dwelling unit and the Accessory Dwelling Unit at the same time. *[Amended March 2026]*

H. Accessory Dwelling Units may not be established in association with manufacture housing or townhouse-style dwelling units (i.e., attached single-family dwellings). *[Amended March 2026]*

TABLE 1

ADJOURNED TO WEDNESDAY MARCH 11, 2026 AT 6:00 PM AT THE TOWN HALL

Benjamin Frost, the Moderator, called the meeting to Order. The Moderator asked the audience to stand and say the Pledge of Allegiance. The results were announced of the contested races on Tuesday’s election, March 10, 2026. All successful candidates were asked to go to the Town Clerk’s office to get sworn in.

Harry Seidel gave a presentation honoring Tim Allen, who retired from the Department of Public Works on December 31, 2025, after 50 years serving the town in a variety of roles, including department head. Mr. Seidel concluded by presenting a plaque to Mr. Allen, who thanked everybody, and expressed confidence in his successors.

Clyde Carson honored Harry Seidel for his term of service on the Select Board, presenting him with a card and announced that a tree would be planted in Mr. Seidel’s honor, once the ground has thawed. Mr. Seidel expressed his gratitude.

The Moderator went over rules for the Town meeting, setting Robert’s Rules aside in favor of customary rules of Warner’s Town Meeting. He explained warrant articles, some statutory limits constraining them, initial speakers and comment period, and all the ways the citizenry may take action on the articles, including reconsideration or restriction on reconsideration. Moderator noted minor differences of language between the articles as listed in the town report and the official warrant, and the moderator will be working from the official warrant.

Moderator changed the meeting’s order of covering warrant articles. Because article 18 concerning the disabled veteran’s tax credit involved persons who might be unable to stay for the whole meeting, he moved article 18 up to be voted on immediately after the five citizen petitions, i.e., to precede article 7.

Second, since article 8, the fourth petition article, deals with a tax cap, the law requires this to be a ballot vote and for the vote to remain open for at least an hour after discussion on the article ends, to accommodate that voting window moderator proposed that article 8 should come first of the petition articles, thereby immediately following article 3, the operating budget. And to do so “without objection.” [pause for objections] “Hearing none, article 8 is moved forward to immediately follow article 3.”

Moderator invited James Sherman to the podium to address the increase of our property taxes in Warner this year. Accompanied by a slide show of charts and graphs, Mr. Sherman explained that the cause is largely due to the reduced contribution to the towns of New Hampshire by the State of New Hampshire, the elimination of various other kinds of taxes, and to the school district’s budget, none of which are under the control of the town. The town necessarily relies mostly on property taxes, which makes up 65% of revenue needed by towns to operate, far higher than the rate in the rest of the country. The town’s budget has remained fairly stable over the last 5 years.

The reason the school budget is so high is because the state has also decreased aid to the schools, especially the moratorium on school-building aid.

Also, the decreased funding of the towns from the rooms and meals tax; the state distributes less of this revenue from tourism than it used to. Loss in revenue sharing. Also, no adjustments for inflation. The town has to cover all these shortfalls.

Article 3 Passed

Shall the Town vote to raise and appropriate the sum of \$5,057,709 (Five Million, Fifty-Seven Thousand, Seven Hundred and Nine Dollars) as the 2026 Operating Budget for the general municipal operations? This amount does not include appropriations contained in special or individual articles addressed separately. (Recommended by the Budget Committee, 7-0; Recommended by the Select Board, 2-1).

Moderator read Article 3. Motion made to Move Article. Seconded.

Discussion follows.

Michael Cutting gave presentation on Operating budget. Highlights of increased costs:

Ambulance service: Hopkinton increased contract from \$89,000 annually to \$290,000 annually.

Negotiations have not changed the amount and Warner cannot do without an ambulance service. This is an estimated rate, and we won’t have invoice for actual rate until May.

Library: went from \$223,000 to \$453,000, due to founding funding agreement between the Pillsbury family and the town: namely the library receives 1/15 of 1% of the equalized evaluation of the town; since the value of the town went up substantially, so did the library’s receipts. This agreement cannot be changed, though previous town select boards have tried.

Highway Department: lease-buy agreements for two pieces of equipment began, and payments had to go back from \$10,000 to the usual \$100,000.

Transfer station: Wheelabrator costs went up.

Mr. Cutting takes questions:

James Gaffney said that the increase of the current budget over last year is 14.2%, five to six times the inflation rate. Unexpended funds are overbudgeting, so we need to find ways to save money. Mr. Cutting explains that cutting too much from the budget removes funds available for unexpected contingencies.

James Gaffney made a motion to amend Article 3 to \$4,800,000. Seconded.

Further discussion, including Mr. Seidel who explained that the Select Board and Budget Committee worked with department heads to reduce expenses in their departments and that the budget presented tonight cannot be cut further; nothing else can be eliminated. The ambulance costs are not in our control and the new town administrator in Hopkinton realized that they had been charging us far less than they should have been. Hopkinton is our only option. Wheelabrator cost is not negotiable.

Call the Question. Seconded.

Amendment to Article 3 Failed

Shall the Town vote to raise and appropriate the sum of \$4,800,00 (Four Million, Eight Hundred Thousand Dollars) as the 2026 Operating Budget for the general municipal operations? This amount does not include appropriations contained in special or individual articles addressed separately.

Moderator read the amendment to Article 3. Voice Vote. Failed.

Andy Bodnarik asked for paper ballot on original Article 3. Seconded. Paper Ballot. 148-Yes 48-No. Passed.

Article 8 Failed

Shall we adopt the provisions of RSA 32:5-b and implement a tax cap whereby the governing body (budget committee) shall not submit a recommended budget that increases the amount to be raised by local taxes, based on the prior fiscal year's actual amount of local taxes raised, by more than 4%? Submitted by petition. Not recommended by the Select Board (2-1). 3/5 Majority vote required.

Moderator read Article 8. Motion made to Move Article. Seconded. Paper Vote, Open for 1 hour.

Moderator recognized primary petitioner, James Gaffney, to introduce the article: other towns have them; can be suspended by vote in case of need; it's a cap on increases henceforward, not cutting this year's budget. Discussion followed.

Question moved and seconded. Voting began at 7:48 pm.

Motion by Ed Mical to restrict reconsideration of Article 3 and seconded. Voice vote. Passed.

Article 4 Passed

Whereas Warner taxpayers deserve the opportunity to provide input in the decision by the Statewide Trails Advisory Committee (STAC) to allow construction of a mountain bike trail in Rollins Park and State Forest on Mt. Kearsarge;

Whereas no safety plan has been devised for this steep “enduro style” trail in the semi-wilderness landscape of Mt. Kearsarge; and

Whereas adjacent and nearby landowners have expressed concern about the subsequent, unauthorized creation of spider trails onto private lands, and the scarcity of state resources to address this type of trespass; and

Whereas additional time is needed to ensure meaningful public input by residents at Warner’s March 2026 Annual Town Meeting,

Are you in favor of respectfully urging the responsible State entities to deny further consideration of the current proposal until the above concerns and deficiencies have been met? Submitted by petition. Recommended by the Select Board (3-0).

Moderator read Article 4. Motion made to Move Article. Seconded.

Nancy Martin spoke on this article. This petition communicates Warner’s concerns to State entities reviewing the New England Mountain Bike Association’s application to build a mountain bike trail on Mt. Kearsarge. We believe the State application and review process are flawed and that Warner residents impacted by this project deserve to be heard. State entities should take a hard look at this project while receiving public input throughout the permitting process. A vote tonight in support of the petition will recommend that the State deny the application as submitted, or delay construction of the trail until the issues stated in the petition are addressed. After tonight’s vote, your letters should be addressed to nhparks@dncr.nh.gov. There is a project review meeting at the DNCR (Department for Natural and Cultural Resources) on Wednesday March 25th at 6:00 pm at 172 Pembroke Rd. Concord, 03301.

Jody Sloane wanted to include that a traffic study should be also considered, because GPS currently directs traffic through Geneva and Roslyn Streets.

Moderator raises the question of how this is to be transmitted to the STAC.

Further discussion.

Hearing no further discussion. Voice Vote. Passed.

Article 5 Passed

Whereas taxpayers have a right to know how their money is spent and deserve clear, verifiable evidence that it is being spent wisely and delivering results; and

Whereas taxpayer dollars are being diverted from public schools to private and religious education through Education Freedom Accounts (vouchers), and this shift does not reduce public school expenses, leaving local taxpayers to cover the difference through higher property taxes; and

Whereas unlike public schools, private education funded by taxpayers through vouchers lacks key accountability measures, such as reporting how funds are used, tracking student performance, ensuring services for students with disabilities, and conducting background checks for staff;

Therefore, we the voters of Warner, New Hampshire, call on our state elected officials to uphold full accountability, transparency, and a sustainable funding plan that ensures no further strain on public schools or local property taxpayers. We further direct the Warner Select Board to deliver this warrant

article and results in writing to New Hampshire's Governor and members of the State Legislature within thirty days of this vote. Submitted by petition. Recommended by the Select Board (3-0).

Moderator read Article 5. Motion made to Move Article. Seconded.

Charlie Albano, main petitioner, introduces the article.

Discussion followed. Warner's former representative on the schoolboard, Kenneth Bartholomew, spoke in favor of the article. Natalie Wells spoke against the article.

Call the Question. Voice Vote. Passed.

Article 6

Shall the town vote to require the Select Board to publish the annual town financial audit without redaction prominently on the town website within 7 days of receipt from the town auditors and to further require the Select Board to add a standing agenda item to their public meeting to address the deficiencies reported by the Auditors. Submitted by petition. Not recommended by the Select Board (2-1).

Moderator read Article 6. Motion made to Move Article. Seconded.

James Gaffney, main petitioner, introduces the article. Asks for someone to amend the article to give a deadline:

Ed Mical made an Amendment to Article 6, adding after Auditor. "The public meeting shall take place at the next regularly scheduled Selectman's meeting." Seconded.

Amendment to Article 6 Passed

Shall the town vote to require the Select Board to publish the annual town financial audit without redaction prominently on the town website within 7 days of receipt from the town auditors and to further require the Select Board to add a standing agenda item to their public meeting to address the deficiencies reported by the Auditors. The public meeting shall take place at the next regularly scheduled Select Board meeting.

Moderator read Article 6 as amended. Motion made to Move Article. Seconded.

Discussion of amended article. Mr. Seidel responds on behalf of Select Board against article.

Moderator announces closure of ballot box on Article 8 at 8:49.

Discussion of amended article 6 continues.

Voice Vote. Article 6 as amended. Passed.

Moderator announces results of Article 8 ballot vote. 71 yes, 127 no. Failed.

Article 7

Shall the town vote to require the Select Board to outsource Payroll to one of the three companies it received quotes from in 2025 (ADP, CheckmateHCM or Paychex). Recommended by the Audit Search Committee 4-0 and communicated to the Warner Select Board. Submitted by petition. Not recommended by the Select Board, (2-1).

Moderator read Article 7. Motion made to Move Article. Seconded.

James Gaffney, main petitioner, introduces article. Free up bookkeeper's time, no-brainer, cheap: \$4-5000 per year. Discussion followed: track departmental expenditures better. Prevents fraud.

Ed Mical made a motion to amend Article 7, by adding "outsourcing payroll by no later than June 30, 2026." Seconded.

Additional amendments introduced, seconded. Moderator simplified the series to a single amendment.

Discussion on amendment(s) concerned timeline and variety of companies from which we will request bids. Moderator restated amendment again to say, "**outsourcing payroll to a qualified payroll company no later than September 30, 2026.**"

Voice vote on final amendment. Passed.

Discussion of article as amended. Mr. Seidel spoke on how well the current system works as part of a financial management software package used widely around the state and we already pay for it. It will not save us a lot of money. Further discussion, including the Finance Director, who said the current system works; selectboard members who are divided.

Call the Question. Seconded. Voice Vote. Passed.

Further discussion: town treasurer, who favored it.

Article 7 as amended Passed

Shall the town vote to require the Select Board to outsource payroll to a qualified payroll company no later than September 30, 2026.

Moderator read Article 7 as amended. Voice Vote. Article 7 as amended Passed.

Motion made by Ed Mical to Restrict Reconsideration on Articles 4,5,6,7,8. Seconded. Voice Vote. Passed.

Article 18 Passed

Shall the Town of Warner vote in accordance with RSA 72:27-a to modify the provisions of RSA 72:35, previously adopted, for an optional tax credit of \$2,150 (Two Thousand One Hundred Fifty Dollars) for a Service-Connected Total and Permanent Disability on residential property? If approved, this article

shall take effect for the 2026 property tax year. (Recommended by Budget Committee, 7-0; Recommended by Select Board, 3-0). (Majority Vote Required.)

Moderator read Article 18. Motion made to Move Article. Seconded.

Elizabeth Labbee spoke on this article. “The HB 99 prohibits veterans who qualify for the Optional Total and Permanent Service-connected Disables Tax Credit (the T&D Credit) from also receiving the Optional Veterans’ Tax Credit. These used to be stackable, meaning a qualifying disabled veteran would be able to access both credits. As a result, unless municipalities take action, qualifying veterans will see an increase in their property tax bills beginning with the 2026 tax year. Municipalities may prevent this unintended tax increase by raising the amount of the T&D Credit to replace the value of the Optional Veterans’ Tax Credit that veterans will lose starting April 1, 2026. Increasing the T&D Credit to \$2,150 ensures that qualifying disabled veterans in Warner continue to receive a level of tax relief comparable to what they received prior to HB 99.”

Call the Question. Voice Vote. Passed.

Article 9 Passed

Shall the Town vote to raise and appropriate the sum of \$15,000 (Fifteen Thousand Dollars) to be placed in the previously established Police Department Vehicle Capital Reserve Fund? (Recommended by the Budget Committee, 7-0; Recommended by the Select Board, 2-1.) (Majority Vote Required).

Article 10 Passed

Shall the Town vote to appropriate the sum of \$125,000 (One Hundred Twenty-Five Thousand Dollars) to be added to the previously established Bridge Repair/Replacement Capital Reserve Fund? (Recommended by the Budget Committee, 7-0; Recommended by the Select Board, 2-1.) (Majority Vote Required).

Moderator read Article 10. Motion made to Move Article. Seconded.

Alfred Hanson spoke on Article. James asked the current balance, \$136,490.

James Gaffney made an amendment to reduce the article to \$75,000. Seconded. Discussion on the amendment.

Harold Blanchette, Road Agent, spoke on this article listing all work that needs to be done. A question was asked if there is enough money in the CIP to complete the work this year. Harold answered there is not, even if money is put away for the next 3 years. Silver Lake is the first project.

Amendment to Article 10 Failed

Shall the Town vote to appropriate the sum of \$75,000 (Seventy-Five Thousand Dollars) to be added to the previously established Bridge Repair/Replacement Capital Reserve Fund?

Article 12 Passed

Shall the Town vote to raise and appropriate \$25,000 (Twenty-Five Thousand Dollars) to be placed in the previously established Transfer Station Equipment Capital Reserve Fund? (Recommended by the Budget Committee, 7-0; Recommended by the Select Board, 3-0.) (Majority Vote Required.)

Moderator read Article 12. Motion to Move Article. Seconded.

Harry Seidel spoke on article. Andy Bodnarik wanted to know what equipment is needed and what water problems impact are going on at the Transfer Station. Mr. Seidel responded that town and state use the water supply at the sheds. Horrible water, tested by Dept. of Labor. Currently using bubblers (imported water). Didn't know what equipment we need to replace first, maybe the baler. James Gaffney asked why a year ago we received a \$20,000-25,000 gift from Encore energy and we had a lot of transfer station needs, and lights on Main Street. We need to spend our money more wisely and transparently. Rebecca Courser said it would be a good idea to have the list of CIP information in the Town Report so Residents can see what needs to be replaced over the next 10 years. James said the Select Board should have the information, because the CIP's were presented to the Planning Board and the Select Board. Hearing no further discussion.

Moderator read Article 15. Motion made to Move Article. Seconded.

Mr. Seidel spoke on the article. This amount is set aside each year for five years.

James Gaffney moves an amendment **“to reduce amount to \$20,000 and prohibit the use of this amount from being expended with Avitar.” Seconded.**

Amendment to Article 15 Failed

Shall the Town vote to raise and appropriate the sum of \$20,000 and prohibit the use of this amount from being expended with Avitar.

Discussion on amendment. Moderator clarified that the just the \$20,000 could not be used on Avitar, and that everyone understood this.

Voice Vote on Amendment. Failed.

Further discussion on original motion. Mr. Bodnarik asks how many appeals have been forwarded to assessing office. Moderator rules the question “not germane to the question.”

Voice Vote on Article. Passed.

Article 16 Passed

Shall the town vote to establish a contingency fund for the current year for unanticipated expenses that may arise and further to raise and appropriate the amount of \$20,000 (Twenty Thousand Dollars) to be placed into the fund? This sum is to come from Unassigned fund balance. Any appropriation left in the fund at the end of the year will lapse to the General Fund. (Recommended by Budget Committee, 7-0; Recommended by Select Board, 3-0). (Majority Vote Required).

Moderator read Article 16. Motion made to Move Article. Seconded.

Clyde Carson spoke on the article. Discussion followed. Responding to Martha Bodnarik’s question regarding whether it is appropriate to use the word “raise”, given that this is not from additional taxation, but rather is from the unassigned fund balance, the Moderator replied that it was a legal requirement to use that language.

Voice Vote. Passed.

Article 17 Passed

Shall the Town vote to establish a revolving fund pursuant to RSA 31:95-h, for the purpose of supporting Warner’s Emergency Operations Center activities beyond the normal operating budget for Emergency Management, and furthermore to raise and appropriate the sum of \$6,500 (Six Thousand Five Hundred Dollars) to come from the unassigned fund balance. All revenue received for services supported by this fund will be deposited into the fund, and the money in this fund shall be allowed to accumulate from year to year and shall not be considered part of the Town’s General Fund Balance. The Town Treasurer shall have custody of all monies in the fund and shall pay out the same only upon order of the Select board and no further approval is required by the legislative body to expend. Such funds may be expended only for the purpose for which the fund was created. (Recommended by Budget Committee, 7-0; Recommended by Select Board, 3-0). (Majority vote required.)

Moderator read Article 17. Motion made to Move Article. Seconded.

Ed Mical spoke on the article. If we ever need to open the emergency operations center, this would fund that. Otherwise, we cannot run it. If reimbursed, it can be returned to this account and we won't need to ask for a future appropriation. Hearing no further discussion.
