

Minutes of the Meeting of the
Warner Village Water District Commissioners
3:30 P.M. on
August 12, 2026 at the Treatment Plant

Present: Dan Lavoie, and Shaun Murphy, Commissioners; Ray Martin, Administrator; Chuck Come, Superintendent. Also, Dave Prickett, DPC Engineering and Michael Smith, Warner Selectman.

Treatment Plant Upgrade

Dave Prickett reviewed the Pilot Testing. Phase 2 of testing is on schedule with cloth filter system and. The reduction in copper was not meeting standards. Blue Pro was close to the 2.9 copper limit but had several process upsets. DPC has had conversations with DES regarding a reliable technology and further study of a two-phase system which combines two systems. More data is required to determine which will work. A question was raised concerning aluminum concentration in our sludge.

June Financial Report

Ray reviewed the revenue and expense reports for June. Expenses are under budget.

The meeting adjourned at 4:10P.M.

The next meeting will be on September 9, 2026 at 3:30 P.M.

Recorded by Ray Martin, District Administrator
