Dear Warner select board,

I would like to coordinate an "Appreciation Reception" for Warner Town employees and the volunteers currently serving on Warner Town boards and committees. The date would be Thursday, November 20 4- 5:30pm in the lower meeting room. There will be light refreshments served. The food will be donated by the volunteers coordinating this event. There will be a set up team at 3:30 pm and a cleanup team at 5:30pm. The room will be ready for the budget committee meeting at 7 pm that evening.

With your approval I would like to begin organizing. May I say it is supported by the Warner Select Board?

Thank you,  
Faith Minton
